1. Floor Plan

2-1. Right side sign

The solution to cover up old sign

: attach new sign to the counter surface

New sign: 2 layers of acrylic panels (white base & clear top with black letters)

Size : 2'-3"w * 2'h

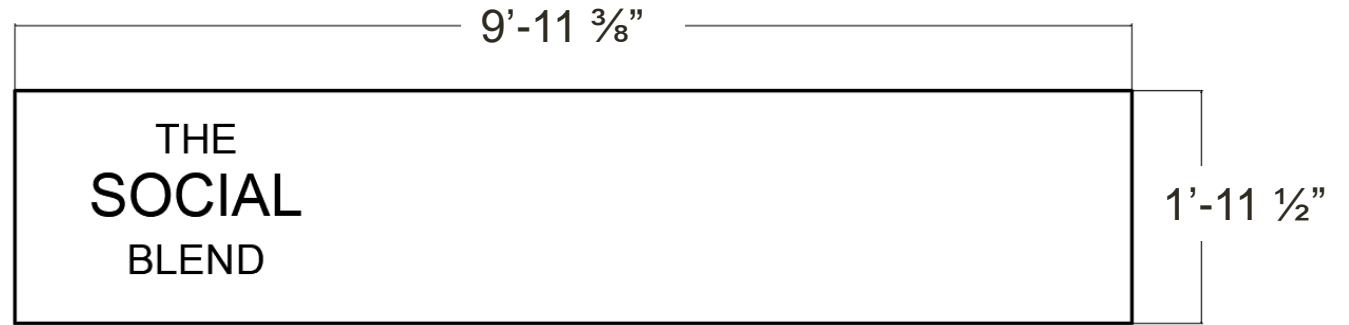

Example image

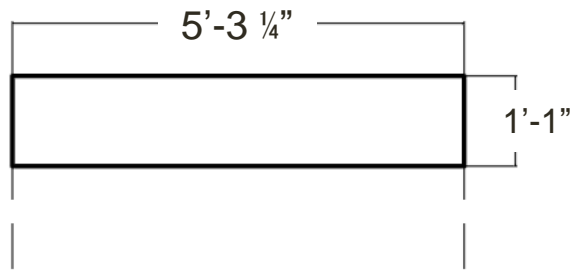

2-2. Left side sign

Size : 9'-11 3/8"w * 1'-11 1/2"h

Material options: Panaflex or acrylic signage board
(lighting system background) →

2-3. Back sign - double side

Back side sign: acrylic board (with white background and black letters)

Size : 5' - 3 1/4" w * 1' - 1" h

(Thickness: 1/2" & Height +1" to put the signage board into the gap to be fixed)
